metoo Instructions & Warnings

Keep these instructions in a safe place for future reference!

Maximum weight of child 15kg/33lbs.
Support surface thickness 18-50 mm /
0.7-2 inch

Warning NEVER LEAVE A CHILD UNATTENDED!

When securing the Metoo check that the rubber grips are not damaged are correctly located and firmly attached (see figure A). The Metoo is fully secure when correctly attached (see figure B and C) and the clamp screw is tight and not able to be turned any more. If you can continue to turn the screw it may be damaged. — Routinely check your Metoo and tighten the screws if necessary. If there are any signs of damage to your Metoo, please contact customer service. — www.philandteds.com
